**Edition 1**

## **South West Regional Wardens Resource Centre** *"For Excellence in Neighbourhoods"*

### **News**

Welcome to the South West (Swindon) Warden Resource Centre newsletter. This is the first addition of what will be a quarterly newsletter providing the latest information on our services, as well as other news that will be of interest to regional practitioners.

### **Time to train!**

Our training facility will be up and running in the next few weeks. We have experts who can advise on and undertake a variety of training needs. For an up-to-date list of our courses please see the training section of the centre website. Alternatively for an informal chat about what we can offer, please contact our on-site Training Officer.

### **News on Study Visits**

We want to encourage Wardens to share ideas and best practice, and will be organising study visits with this aim in mind. Study visits last 1-3 days, providing an excellent platform for Wardens to meet each other and exchange success stories from their day-to-day work. Delegates are welcome both from within and outside the South West region.

We will be announcing the dates and location of the study visits shortly.

If you have any best practice to share before the study visits, please place a posting on the notice board on the centre web page.

### **Information for the regional network**

The next meeting of the South West Regional Network will be March, dates yet to be confirmed. If you are interested in attending please contact me on 01793 464370/464487 for dates and times or alternatively you can email me on the above address.

## **Reminder!**

Could anyone who has not yet returned the data collection questionnaires (pro-formas), please fill them in and return them to [swresource@swindon.gov.uk](mailto:swresource@swindon.gov.uk)

Or if require any further information then please do not hesitate to contact me on Swindon 01793 464370.

Thank you

Alpona B Ahmed  
Resource Centre Administrator
