

# NEIGHBOURHOODS

“Neighbourhood renewal is about reversing the spiral of decline in our most disadvantaged and needy communities”

- Focuses on the improvement of public services as the best route to renewal
- Extra resources are being targeted at these services, but just as important is *how* they are delivered
- Real and lasting improvement depends on service providers being more sensitive to local needs and being prepared to work across traditional boundaries

# The point of neighbourhood management is:

- To move decision making closer to local areas
- To promote agencies working together
- To make it easier for agencies to share information
- To streamline funding
- To simplify inspection and target setting
- To reduce Bureaucracy
- To improve services and address needs

.....For the benefit of residents

# Cornwall's Local Area Agreement

- Key outcomes for the LAA:
- **Transform neighbourhoods-**
- Reconnecting them with housing and job markets
- Stimulate economic development in the neighbourhood
- To empower local people to have a greater voice and influence over local decision making and the delivery of services

# Unitary Arrangements for Cornwall

- To support the principle of neighbourhood improvement and support further work to develop a more detailed proposal for sub Community Network activity. Particularly in exploring strategic links with RSLs and the Police.
- To agree that One Cornwall resource is used to develop a multi agency Comprehensive Engagement Strategy / Compact upon which future engagement standards can be assessed.
- Site visit(s) are arranged to see first hand the way in which neighbourhood improvement can help deliver change at the local level.

# Former NRF Neighbourhoods

- Treneere
- St Clare/Penzance Central
- Redruth North
- Pengegon/Parc an Tansys

# Best Practice in West Cornwall's Neighbourhoods

- David Sullivan – **Treeneere Together** 01736 351480
- Kevin Hawke – **Redruth North** 01209 212960
- Claire Arymar – **Pengegon/Parc an Tansys** 01209 714956
- Kath Maguire – **Penzance Central** 01736 334673
